

PUMPS

- Piston
- Transmission
- Cast Iron - Gear
- Aluminium - Gear
- Vane

MOTORS

- Piston
- Orbital
- Gear
- Vane

CONTROL VALVES

- Modular
- Cartridge
- Mobile

CYLINDERS

- Heavy Duty, Special Purpose and agricultural
- Standard or Manufactured to your requirements
- Seals

PNEUMATICS

- Air Service Units
- Control Valving
- Cylinders
- Cabinet Design & Manufacture

POWER UNITS

- Standard Power Units
- Manufactured Power Units to Customers Requirements

ELECTRONIC MONITORING & TEST EQUIPMENT

- Pressure & Flow
- Temperature
- Position

HYDRAULIC FILTERS

- Pressure
- Return
- Suction
- Air Breathers

PRESSURE ACCESSORIES

- Gauges
- Test Points & Adaptors
- Test Hoses Made on site to Customer Requirements

ACCUMULATORS

- Piston
- Diaphragm

HEAT EXCHANGERS

- Electric
- Plate
- Tube

CLAMPS & PIPING

- Assorted Types & Sizes

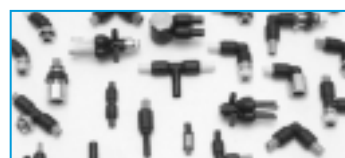

HYDRAULIC ACCESSORIES

- Ball Valves
- Needle Valves
- Check Valves
- Bell Housings
- Couplings
- Level Gauges

PNEUMATIC ACCESSORIES

- Hose & Tube
- Fittings
- Function Fittings

HYDRAULIC HOSE & FITTINGS

LUBRICANTS

- Hydraulic Oil
- Transmission Oil
- Grease

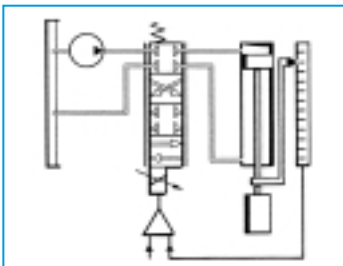

GENERAL REPAIRS

- Large Modern Facilities
- 435 HP Test Facility
- 10t Overhead Cranage
- Pumps, Motors, Valves & Cylinders
- Pneumatics
- All Brands Due to Our Supply Network
- Qualified Trades People

CNC MACHINING

- General & Specialised Machining for the Fluid Power Industry
- OEM Manufactured Products

ENGINEERING SERVICES

- Professional Engineering Services
- Computer Aided Drafting (CAD)
- Asset Management
- Inovative Engineering Solutions for Existing or New Applications
- System Designs

INSTALLATIONS

- Small, Medium to Large Installations
- On-Site Commissioning
- Hydraulic & Pneumatic Pipe Work

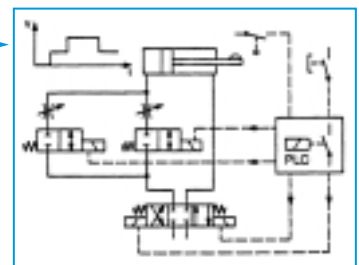

ON-SITE SERVICE

- Mobile Service Vehicles
- Fault Finding
- Scheduled Maintenance
- After Hours Breakdown Service

ELECTRONICS

- Interfacing Hydraulics & Electronics
- Motion Control
- System Monitoring

REPRESENTATION

- Internal Spares & Service Desk
- Technical Representatives Willing to Assist or Advise On-Site
- Focussed on Long Term Alliances
- New Technology, Old Fashioned Values
